Ron, just an observation but I think the table for "outside contacts" should have 2 parts for DEP - policy and technical; and Rich Fetzer should be listed under technical. While not the intention this chart tends to suggest that only you, Jon and Jennie can talk to DEP Obviously, Rich will need to and has had interaction with DEP on response operations. Thanks, den.

Subject: Contact list - for Dimock

Since we have started our work in the Dimock, PA area, different staff in Region 3 have been getting inquiries from multiple outside parties. In an effort to help with external and internal communications, we came up with the following Points of Contacts. Please pass this along to other EPA personnel that you feel may be getting inquiries. If you have any questions, please let me know.

Leads for Managing Dimock Related *Outside* Contacts/Requests for Information

Please refer *all* Dimock related requests from outside parties to the appropriate EPA lead individual(s) listed below. The EPA lead will be responsible for coordinating with all appropriate staff and managers within EPA and then responding to the request.
